Time to pay policy on cases heard on or after 7-1-21

Finalized cases- 90 days from the time of disposition to pay fines and cost unless the defendant enters into a time to pay agreement.

Jail Time- An additional 90 days will be granted upon release from jail, **only** when a time to pay agreement is signed.

If the defendant is unable to make payment within ninety days of final disposition where costs are owed, the court will assess a one-time fee of \$10.00 to cover the costs of management of the defendants account. The defendant must execute a time to pay agreement.

All accounts will go into collections if the fines and cost are not paid after the 90 days, provided there was not a time to pay agreement signed, or at the expiration date of the time to pay agreement.

Extensions

An extension of the time to pay agreement may be requested by the defendant prior to the expiration date of the time to pay agreement.

INTEREST

Criminal and Traffic cases: Interest will accrue on the 181st day after final disposition or release from incarceration if payment is not made in full.
